Thank you for your help.

DESCRIBE THE VIOLATION OR INCIDENT

Large green area with horizontal lines for describing the violation or incident.

EMERGENCIES

To report suspicious activity or an emergency which requires immediate attention, dial 911.

NON-EMERGENCY INCIDENTS OR ACTIVITY

Park rule violations such as reckless bike, skate or scooter riding, failure to properly leash or control pets, and improper trail usage such as mountain biking on restricted trails are examples of situations we want to know about. Unless there is immediate danger (which should be reported as an emergency), we would like to know about the problem through the Park Watch Report (PWR).

NOTE: Anyone involved in a dog bite or any incident resulting in injury is required to exchange information with other involved parties and report it to **Police and Fire Dispatch at (510) 881-1121.**

TRAIL HAZARDS AND DAMAGE To report non-emergency safety hazards, or damaged trails and facilities, contact a park ranger or call Park Operations at (510) 544-2510. Be sure to mention the nature and exact location of the problem including trail or area name.

SUBMITTING REPORTS

Park Watch Reports may be mailed to East Bay Regional Park District Police, 17930 Lake Chabot Road, Castro Valley, CA 94546, or faxed to (510) 881-0507.
